CAMP HIGHLIGHTS

Campers got an up-close look at conservation in action as they helped release turtles back into the wild! It was an exciting experience that connected campers with wildlife and the importance of protecting it.

Campers kicked off the final week of Outdoor Camp with a sweet treat by making s'mores in their own solar ovens! They put the sunshine to work while enjoying a fun mix of science and summer adventure.

CAMPER CORNER

- Campers turned salt into art by creating colourful, textured paintings and watching their designs come to life!
