CAMP HIGHLIGHTS

Campers set sail with their imaginations by building their own boats and designing colourful flags to represent their unique vessels. Each finished boat was one of a kind and ready for its next big adventure!

Campers stepped into the role of artifact restorers as they carefully pieced together broken artifacts. Using teamwork, patience, and problem-solving skills, they worked to uncover clues and bring each historical treasure back to life!

- Campers went undercover by creating their own detective disguises, getting ready to crack clues and solve mysteries with creativity and imagination!
 - Seen in photo campers showing their detective disguises.
