CAMP HIGHLIGHTS

Campers became Critter Keepers by designing their very own badges! Each unique creation showed they were ready to explore and discover the amazing creatures around them.

Campers became animal enrichment designers, creating fun and engaging activities for the animals! They used creativity and problem-solving to help keep the animals happy, active, and curious.

- Outdoor campers became little gardeners as they created their own seed bombs! Packed with seeds and creativity, their creations were ready to grow into something beautiful.
 - Seen in photo campers showing their seed bombs!
