Indoor: Secrets of the Sunken City

Outdoor: Sports & Splash Spectacular

CAMP HIGHLIGHTS

Campers became young gardeners by creating their own paper plate greenhouses! This hands-on craft helped them learn about how plants grow while showing off their creativity.

Campers became wildlife advocates by creating informative posters about endangered animals. Through research and creativity, they learned about the importance of protecting these incredible species and their habitats.

- Campers brought their imaginations to life by creating pirate puppets before putting on their own puppet shows! From silly characters to adventurous stories, creativity took center stage!
 - Seen in photo campers showing their pirate puppets.
