CAMP HIGHLIGHTS

Campers designed their own mythical creatures before bringing them to life with a foamy science experiment full of creativity and fun!

Campers unleashed their creativity by designing their own mythical creature masks, each filled with colourful details and unique personalities.

- Campers put their imaginations to work by sketching their own mythical creatures before sculpting them out of clay. From the first drawing to the final creation, each creature was truly one of a kind!
 - Seen in photo campers showing their mythical creatures.
